**MINUTES FROM NOVEMBER 12, 2008**  
**OPEN SESSION**

***MINUTES OF NOVEMBER 12, 2008 OPEN SESSION OF THE LOUISIANA PUBLIC SERVICE COMMISSION HELD IN BATON ROUGE, LOUISIANA. PRESENT WERE CHAIRMAN JAY BLOSSMAN, VICE CHAIR LAMBERT BOISSIERE, COMMISSIONERS JIMMY FIELD, FOSTER CAMPBELL, AND PAT MANUEL. ALSO PRESENT IS LAWRENCE C. ST BLANC.***

---

Open Session of November 12, 2008 convened at 9:36 A.M., adjourning at 1:37 P.M., Natchez Room, 602 N. 5<sup>th</sup> Street, 1<sup>st</sup> Floor, Baton Rouge, Louisiana, with the above-named members of the Commission and Secretary Lawrence C. St. Blanc.

Ex. 1            Announcements

Commissioner Campbell directed Staff to open a docket regarding the possibility of using natural gas in automobiles in Louisiana.

Commissioner Field thanked AllTel for furnishing cell phones during the election for reporting poll results.

Commissioner Campbell welcomed Senator McPherson, who is running for a seat on the LPSC.

Commissioner Boissiere stated that he and Staff Attorney Brandon Frey attended a St. James Parish Council meeting regarding concerns expressed by constituents about Charter Cable.

Ex. 2            **T-30673** - Cameron Rental & Tank, Inc. (Cameron, Louisiana), ex parte. In re: Common Carrier Certificate Number 6938-A (Corrected), Request for Declaratory Ruling Interpreting Authority Provided by Certificate AND FOR EXPEDITED TREATMENT.

**Last month's Ex. 10**

On motion of Commissioner Field, seconded by Commissioner Manuel, and unanimously adopted, the Commission voted to accept the Staff Recommendation and accept the Administrative Law Judge's recommendation only as to the definition of a "tank" and that the certificate does not impact Cameron Rental's ability to transport non-regulated commodities. The Commission further ordered to reject that portion of the ALJ Recommendation finding that Cameron Rental's authority allows it to transport only washout water. Instead, it is ordered that the Commission interpret Cameron Rental's authority to allow the transportation of liquid Exploration and Production ("E&P") waste generated as a result of the cleaning of tanks, including boat and barge tanks.

Ex. 3            **T-30708** - Arthur Perez Moving Professionals, LLC (New Orleans, Louisiana) ex parte. In re: Application to amend Tariff (household goods) for LPSC No. 6260-B by revising the existing tariff, and increasing various rates.

On motion of Commissioner Boissiere, seconded by Commissioner Blossman, and unanimously adopted, the Commission voted to accept the Staff Recommendation and grant the requested rate increase. It was further ordered that the Company file an approved tariff upon the issuance of the order.

Ex. 4            **R-30297** - Louisiana Public Service Commission, ex parte. In re: Discussion and possible vote on the exemption of motor carriers of waste from having to prove public convenience and necessity when applying for a common carrier certificate or contract carrier permit, but maintaining the requirement that said carriers register with the Commission and satisfy all rules, regulations and requirements of the Commission, including proof of fitness to operate. In addition, discussion on the burden of proof required in proving public convenience and necessity and Rule 33 of the Rules of Practice and Procedure of the Louisiana Public Service Commission, Special Rules Applicable to Contested Operating Authority Cases and possible vote on changes in the present burden of proof and Rule 33 and any other rule applicable to the trial of public

convenience and necessity cases.

**Last month's Ex. 11**

Commissioner Manuel made a motion to accept the Staff Recommendation, however that motion died for lack of a second.

On motion of Commissioner Field, seconded by Commissioner Blossman, and unanimously adopted, the Commission voted to reject the Staff Recommendation and keep the law the same. Staff was directed to examine the burden of proof required for PC&N in these types of cases and report back to the Commission as to the possibility of allowing more flexibility in this area.

Ex. 5      **U-30727** – CLECO Power, L.L.C. ex parte. In re: Application of Cleco Power L.L.C. for Certificate of Public Convenience and Necessity for: (I) Authorization for Cleco Power L.L.C. to Enter into a Proposed Power Purchase Agreement with Acadia Power Partners, LLC; (II) Authorization for Cleco Power L.L.C. to Flow-Through, in its Jurisdictional Rates, the Charges that it Pays Under the Power Purchase Agreement; and (III) Expedited Treatment.

On motion of Commissioner Blossman, seconded by Commissioner Boissiere, and unanimously adopted, the Commission voted to take up this matter under Rule 51.

On motion of Commissioner Boissiere, seconded by Commissioner Field, and unanimously adopted, the Commission voted to accept the Staff Recommendation and approve the Acadia PPA in conformity with the recommendations of Mr. Kahal.

**Last month's Ex. 15**

On motion of Commissioner Blossman, seconded by Commissioner Boissiere, and unanimously adopted, the Commission voted to deny the motion for reconsideration.

On motion of Commissioner Field, seconded by Commissioner Blossman, and unanimously

adopted, the Commission voted to remand this proceeding in order to create a record in relation to the quantification of the rate that should have been charged to Orion. In particular, 1) A hearing shall be held at which time the parties shall be allowed to cross-examine witnesses and present quantifications of the appropriate rate and the total under-billings to Orion. 2) The ALJ shall compile a record for consideration at the December 2008 Business and Executive Session. The ALJ is allowed to modify post-hearing procedures to meet his deadline. 3) This Commission action specifically sets the December 2008 B&E as the effective date. Therefore, a filing of a motion for rehearing shall not suspend the order. 4) In order to adhere to the December 2008 B&E deadline, discovery shall be limited to 15 questions, inclusive of any sub-questions.

Ex. 19 Discussion and possible vote on Legislative Auditor report.

Commissioner Campbell would like Staff to look into finding an outside auditor to review our auditing practices. Commissioner Field suggested that NARUC might be able to help find someone. Secretary St. Blanc stated that he will come up with suggestions for next month.

Commissioner Boissiere made a motion to completely prohibit any Commissioner from accepting food or beverages from any regulated utility or anyone affiliated with a regulated entity, with the exception of seminars and conferences. Commissioner Campbell stated he would like to include any Staff members as well.

Commissioner Manuel offered a substitute motion to prohibit any Commissioner or candidate for the Commission from receiving any campaign contributions from any person, or from any officer, director, agent, or employee of such person, if such person is: an LPSC regulated entity or a contractor of that entity; has or is seeking to obtain contractual or other business or financial relationships with the LPSC; or is seeking, for compensation, to influence the passage or defeat of a matter before the LPSC. This motion died for lack of a second.

On motion of Commissioner Field, seconded by Commissioner Manuel, with Commissioner Blossman concurring, and Commissioners Boissiere and Campbell dissenting, the Commission voted to continue to adhere to the current LPSC Rules and the "golden standard" as adopted by the Legislature.

Ex. 20 1) Reports
